“There is a need to instill in people’s hearts, especially in the hearts of the young, a genuine and deep appreciation of the need for brotherly love, a love that can find expression in the decision to become an organ donor.”

—Saint John Paul II

Generous God,
we give thanks to those who give the gift of life and healing through organ, eye, and tissue donation. Bless them and their families for their act of generosity and fraternal love.

We also pray that whoever is to receive this gift may rejoice in that gift of life and healing with hope in your love.

In Jesus’ name, we pray. Amen.
